WHAT IS UWDMA?

Registered under the Society Registration Act of XXI, 1860, with the Office of Registrar of Societies, Government of NCT Delhi, as per S/63770-2008 dated October 31st, 2008.

The uPVC Window & Door Manufacturers Association, Known as UWDMA, is a non-profit body formed to create value proposition benefitting all from use of uPVC windows and doors across India.

It envisions empowering all stakeholders & enterprises, by infusing & sharing knowledge that will catalyze growth in the Indian markets. It is committed to extend help to upscale, align and eventually establish lead in promoting uPVC Window & Doors being ecology & energy saving formidable components. The Association endeavors to support all its constituents in helping one and all to be benefitted from high-ended functionality and outstanding features uPVC Window & Doors entail.

WHY JOIN UWDMA?

One can partner with UWDMA in its plans to take forward its initiatives in ...

- uPVC framed-windows being energy savers
- Includes other features viz. a far stable materials, durable, saves from pollutants, don't support combustion and more
- Strengthening the industry with trained hands
- To achieve above, workshops are planned for creating trained fabricators, installers, other artisans through training symposiums across India
- Attempting to incentives the industry by various government agencies. uPVC industry acknowledged as an organized sector over its peers, distinctly and directly contributes in development of country's socio-economic fabric
- Heightened exposure through participation in major events including lining up dedicated seminars with architects, developers, planners etc. in government and private construction sector

- Above are few of the key areas one can contribute in by associating with UWDMA. Efforts infused in like directions, we are sure, will ensure help one to stand out over the rest!

- **Adaption of developed Standards on Window & Door and uPVC Profile**
- **Skill Development/ Training: Fabrication & Installation**
- **Star Ratings of uPVC Windows & Doors**
- **Link with/to the Government**
