Dear Friends,

Please join me in congratulating the Marketing Team in making the U-RC a successful program across India. Thanks to the suggestion of the members, the Gurgaon event was conducted in Hindi by Mr. Pramod Jha who could mingle conveniently with the audience and bring our experiences openly on the platform. While Gurgaon drooled on Pramod Jha, Hyderabad was captivated by Kannan and Coimbatore by Veeramanikandan. The audience grew from 120 in Gurgaon to 140 in Hyderabad and 158 in Coimbatore.

Let me introduce you to our New Team Member – Mr. Vijay Nawariya who has been spear heading the UR-C events and memberships.

LIAISON WITH GOVERNMENT AGENCIES

BEE – Reinitiated contact with the Bureau of Energy Efficiency to progress the Window Label Program started by them couple of years back. Similar to the Star Rating of consumer durables like ACs / Refrigerators BEE wanted to propose a Star Rating for windows. We would like to propose the UWDMA label as it is wholistic and considers all parameters of the window.

CPWD – A detailed submission has been made to the CPWD in Delhi about the UPVC Window/

Door specifications currently in the DSR. - BIS – During the recent interaction with the BIS, Mr. Shirkanth Yajalla – Deputy Director of BIS incharge for CED 11 has advised UWDMA to submit the comments on both the BIS drafts – 8011 – UPVC Profiles and 8012 – UPVC Windows and Doors. The former is ready for submission but the later needs more involvement of members from the hardware, gasket and accessories fraternity. The comments will be submitted to BIS in this month.
