NEWS

UWDMA has been working on skill development with the support of MSDE (Ministry of Skill Development & Entrepreneurship) to provide trained manpower to the industry. We have got approval from Director Technical Education, Government of Rajasthan to start window production and installation course at ITI, Bhiwadi. In September we had the opportunity to train some of the lecturers of ITI Bhiwadi on UPVC window production at Lingel, Spectrum and Fenesta.

The course is set to commence and ITI Bhiwadi has agreed to provide space, electricity and their team for the course. All UWDMA members have agreed to support in the form of sending their people for conducting the training, profiles, steel reinforcement, hardware and silicone. This center is the first of its kind and will provide the much needed hand-on training to the students...*more*
